OMAR MOHAMED MOHAMED KAMEL

SERVICE DESK ENGINEER | IT SPECIALIST

Mobile: +20 114 091 6099 **|** **E-mail:** omarkamel3598@gmail.com **|** **Location:** Giza / Cairo, Egypt **|** **Date of Birth:** May 3, 1999

PROFESSIONAL SUMMARY

Results-driven, security-conscious IT Specialist & Service Desk Engineer with over 4 years of hands-on experience in technical support, enterprise system administration, and infrastructure maintenance across fintech, corporate, and consulting sectors. Proven track record managing service requests via Odoo and Zoho Ticketing Systems, safeguarding endpoints using Kaspersky Endpoint Security, and administering user access through Active Directory and Azure AD. Dedicated to strict SLA compliance, ITIL-aligned incident handling, and enterprise data protection.

WORK EXPERIENCE

National Technology Group (NTG) — ***Service Desk Engineer*** **Jun 2026 – Present**

- **Incident & Service Management:** Serving as primary technical point of contact, managing Tier 1/Tier 2 incident workflows, service requests, and SLA tracking via Odoo Ticketing System.
- **Identity & Access Control:** Administering user accounts, Role-Based Access Control (RBAC), and security policies using Active Directory and Microsoft Entra ID (Azure AD).
- **Endpoint Protection:** Enforcing endpoint security compliance through Kaspersky Endpoint Security, executing signature updates, vulnerability mitigation, and threat containment.
- **System Provisioning:** Deploying, configuring, and maintaining enterprise workstation hardware, operating systems, and authorized core applications.
- **Network Troubleshooting:** Diagnosing network connectivity issues (LAN, VLAN, DNS, DHCP, VPN) adhering to rigorous enterprise security and uptime guidelines.

Basata Holding (Fintech) — ***IT Specialist*** **Oct 2024 – Jun 2026**

- **Endpoint Security:** Monitored and managed endpoint security posture utilizing Kaspersky Endpoint Security across corporate workstations to prevent malware outbreaks and unauthorized access.
- **Incident Resolution:** Resolved end-user hardware, network connectivity, and corporate application issues under tight resolution SLAs in a fast-paced fintech environment.
- **Comprehensive Support:** Delivered dedicated remote and on-site technical support for operational, transactional, and executive departments.
- **Service Desk Operations:** Managed incident and request queues through Zoho Desk, maintaining accurate diagnostic notes and escalation paths.
- **Hardware Lifecycle:** Performed systematic workstation imaging, OS provisioning, and scheduled lifecycle hardware upgrades.

GNETWORX Company — ***IT Specialist (Outsourced Support)*** **Nov 2023 – Oct 2024**

- **Centrada Developments:** Delivered full technical support for hardware, OS, and engineering suites (Autodesk AutoCAD/Revit, Adobe CC); managed user accounts and access via Active Directory; maintained CRM systems and hotline operations.
- **Ezz Developments:** Deployed workstations, configured operating systems, provided fast-response incident troubleshooting, and generated regular technical diagnostic reports.
- **Client Infrastructure:** Conducted network troubleshooting, software configuration, and remote desktop services across various corporate clients.

MCG Mentor Consulting Group — *IT Helpdesk Specialist* **May 2023 – Nov 2023**

- **Workstation Deployment:** Installing, commissioning, and maintaining computer hardware, peripherals, and software for the organization.
- **Systems & Directory:** Installing and running operating systems, standard corporate applications, and adding users to the domain controller.
- **Technical Reporting:** Preparing detailed reports on maintenance operations with actionable recommendations for possible solutions.
- **Remote Troubleshooting:** Providing responsive remote technical support and troubleshooting for staff.

Egyptian Armed Forces — *IT Helpdesk Specialist (Military Service)* **Oct 2021 – Dec 2022**

- **Systems Maintenance:** Follow-up and preventative maintenance of computers, servers, and peripherals across military department units.
- **Deployment & Configuration:** Installing and commissioning new hardware, configuring peripheral equipment, and deploying operating systems.
- **Maintenance Reporting:** Preparing reports on routine maintenance operations with recommended technical solutions.
- **Technical Support:** Providing direct on-site technical support for workstations and resolving local network connectivity problems.

Resala Charity Organization — *IT Helpdesk Specialist* **Dec 2019 – Oct 2021**

- **Infrastructure Maintenance:** Follow-up, diagnostics, and routine maintenance of computers, printers, and core equipment across organization offices.
- **User Provisioning:** Installing and commissioning new hardware, installing software and operating systems, and adding user accounts to the domain.
- **Operational Support:** Providing direct technical support for computer systems, troubleshooting user inquiries, and ensuring continuous network operation.

TECHNICAL SKILLS

• **Ticketing & Helpdesk:** Odoo Helpdesk, Zoho Desk, ITIL incident workflows, SLA tracking

• **Endpoint Security:** Kaspersky Endpoint Security, Role-Based Access Control (RBAC)

• **OS & Hardware:** Windows 10/11 Pro, macOS, system cloning/imaging, hardware diagnostics

• **Systems & Cloud:** Microsoft 365 Admin Center, Active Directory, Azure AD (Entra ID), GPO

• **Networking & Protocols:** CCNA fundamentals, TCP/IP, DNS, DHCP, VLANs, VPN configuration

• **Specialized Applications:** Autodesk (AutoCAD, Revit), Adobe Creative Cloud, IP-PBX Telephony

EDUCATION, CERTIFICATIONS & ADDITIONAL INFO

EDUCATION

Faculty of Commerce, Economy & Foreign Trade
Helwan University (2017 – 2021) | Grade: Good

LANGUAGES & ATTRIBUTES

• Arabic: Native | English: Professional Working Proficiency
• Fast learner, strong analytical troubleshooting under SLA pressure, disciplined teamwork.

COURSES & CERTIFICATIONS

• Microsoft 365: Enterprise Administrator (Training)
• CCNA (Cisco Certified Network Associate) – AUC
• MCSA (Microsoft Certified Solutions Associate)
• Technical Support Fundamentals – Google (Coursera)

ACTIVITIES

• Volunteer at Resala Charity Organization (2015 – Present)
• Hockey Player at Eastern Company Sports Club (2005 – 2017)
